war de lization and memory A cradle of civilization is a location where civilization is understood to have emerged. Current thinking is that there was no single "cradle", but several civilizations that developed independently, with the Fertile Crescent (Ancient Egypt, Mesopotamia), Ancient India and Ancient China understood to be the earliest. The extent to which there was significant influence between the early ...

war de lization and memory The U.C.C. -3 filing is where people list their property and themselves as the first lien holder of said property. The truth is they are not the first lien holder because they are usually still paying for the property, and being taxed by the corporation in such a way that if they miss one payment, the property is taken away.
