Nation, Memory and Great War Commemoration

war nation memory The book goes on to discuss the literature of the decades following the war, looking at how the conflict was remembered in the two parts of the now divided island, both by individuals and collectively, and investigating the dynamic interrelationship between personal recollection and public memory.

Introduction. War, Nation and Memory - Peter Lang

war nation memory A New Memory of War. Just as personal memory functions through matching the here-and-now with an intelligible there-and-then, by shifting context, re-framing meaning and massive selectivity, journalism has long held " and imagined " a larger aperture of social memory. This relationship " between journalism and social memory " is ridden with...

Shanti Sumartojo & Ben Wellings: Nation, Memory and Great

war nation memory The Power of Collective Memory. Of course, countries do not have memories; it is the people in the country who retain the memories, but often there are common themes. When asked to remember World War II, Americans report numerous events, but the majority of people report the attack on Pearl Harbor, D-Day and the bombings of Hiroshima and Nagasaki.

The Power of Collective Memory - Scientific American

war nation memory Race and Reunion: The Civil War in American Memory. For Tourg e, as for millions of other Northern whites initially and for almost all African Americans, the causes of the war were slavery and the South's determination to preserve it; the results were a new birth of freedom in a reunited nation and a new charter of equal rights in the Fourteenth and Fifteenth Amendments to the Constitution.

Project MUSE - Race and Reunion: The Civil War in American

war nation memory culture. The Civil War is an important part of that inquiry to the extent that it illuminates the memory of slavery, for instance, as part of an emancipation narrative or a competing version of the past that minimizes the role of slaves and slavery in the war. In the 1980s and "90s, conversations about cultural memory replaced what scholars had
