The Challenge of Peace - United States Conference of

war peace and human nature the convergence of evolutionary and cultural views War is a state of armed conflict between states, governments, societies and informal paramilitary groups, such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types of war, or of wars in general.

War - Wikipedia

war peace and human nature the convergence of evolutionary and cultural views A peace movement is a social movement that seeks to achieve ideals such as the ending of a particular war (or all wars), minimize inter-human violence in a particular place or type of situation, and is often linked to the goal of achieving world peace. Means to achieve these ends include advocacy of pacifism, non-violent resistance, diplomacy, boycotts, peace camps, moral purchasing, supporting ...

Peace movement - Wikipedia

war peace and human nature the convergence of evolutionary and cultural views PERPETUAL PEACE. Whether this satirical inscription on a Dutch innkeeper's sign upon which a burial ground was painted had for its object mankind in general, or the rulers of states in particular, who are insatiable of war, or merely the philosophers who dream this sweet dream, it is not for us to decide.
