Art of War PDF

war strategy and the modern state 1792 1914 Military strategy is a set of ideas implemented by military organizations to pursue desired strategic goals. Derived from the Greek word strategos, the term strategy, when it appeared in use during the 18th century, was seen in its narrow sense as the "art of the general", or "'the art of arrangement" of troops. Military strategy deals with the planning and conduct of campaigns, the movement ...

Military strategy - Wikipedia

war strategy and the modern state 1792 1914 Business war gaming (Corporate war gaming) or business wargaming is an adaptation of the art of simulating moves and counter-moves in a commercial setting. Unlike military war games, or fantasy war games which can be set hundreds of years in the past, business war games are usually set in the present and are a relatively recent development, but they are growing rapidly.
