war workers United States war crimes are the violations of the laws and customs of war of which the United States Armed Forces are accused of committing since the signing of the Hague Conventions of 1899 and 1907. These have included the summary execution of captured enemy combatants, the mistreatment of prisoners during interrogation (torture), and the use of violence against civilian non-combatants.

war workers The use of forced labour and slavery in Nazi Germany and throughout German-occupied Europe during World War II took place on an unprecedented scale. It was a vital part of the German economic exploitation of conquered territories. It also contributed to the mass extermination of populations in German-occupied Europe. The Nazi Germans abducted approximately 12 million people from almost twenty ...
